What's Inside

Eleven powerful feature suites, nine role-based portals — one platform for your entire school.

01

Student Management

Profiles, CSV import, records, QR ID cards

02

Attendance System

Biometric, manual & QR — works offline

03

Fee Collection & GST

UPI, Razorpay, GST invoices, discounts

04

Staff & HR

Payroll, departments, staff ID cards

05

Transport & GPS

Live tracking, geo-fencing, stops

06

E-Campus Mitra Chat

Realtime school-parent messaging

07

Exams & Report Cards

AI question papers, CBSE grading

08

Library & Documents

Barcode issue/return, fines, vault

09

Analytics & Director

Revenue, trends, performance insights

10

Admissions CRM

Leads, pipeline, alumni, branches

11

Security & More

2FA, 5 languages, live classes, CCTV

12

Get Started

Free 14-day trial, pricing & contact

ONE PLATFORM · NINE ROLE PORTALS

School Admin

Full control of school operations

Director

Analytics, revenue & oversight

Teacher

Attendance, homework, marks

Student

Homework, results, timetable

Parent

Fees, GPS, chat & updates

Accountant

Super Admin

Schools, billing & platform

Student Management

Every student's complete digital record — profiles, academics, parents & ID cards — managed from one beautiful dashboard.

KEY FEATURES

Student Profiles

Digital records with photos, contacts, admission number & class details.

Bulk CSV Import

Import hundreds of students in minutes with auto passwords & links.

Smart Search

Find any student instantly by name, class, roll or admission number.

Academic Records

Class, section, roll number & full academic history in one place.

Parent Linking

Auto-link parents to children for fees, attendance & messages.

QR ID Cards

Professional print-ready student ID cards with QR codes.

Classes & Sections

Manage classes, sections & streams with instant roll counts.

Document Storage

Admission forms, certificates & student files stored digitally.

Status Control

Activate, deactivate & transfer students between classes anytime.

Parent Portal

Parents see attendance, homework, fees & results live.

Attendance System

Mark attendance three ways — biometric, manual or QR scan. Works offline, alerts parents instantly.

KEY FEATURES

Biometric / RFID

Fingerprint & RFID punches recorded live from hardware devices.

Manual Marking

Teachers tap present/absent per student — seconds per class.

QR Check-in

Students scan their ID-card QR at entry for automatic attendance.

Offline Mode

Mark attendance without internet — auto-syncs when back online.

Parent Alerts

Push notification the moment a child is marked absent or late.

Reports & Analytics

Daily, monthly & class-wise reports with percentage insights.

Bulk Actions

Mark whole classes present in one tap with smart defaults.

Monthly Register

Classic month-view register for every class and section.

Flexible Statuses

Present, absent, late, half-day & leave — all supported.

Staff Attendance

Track staff check-ins alongside student attendance.

Fee Collection & GST

Collect fees online with UPI & Razorpay, apply discounts automatically and stay GST-compliant — zero spreadsheets.

KEY FEATURES

UPI QR Payments

Parents scan & pay from any UPI app — receipts auto-generated.

Razorpay Checkout

Cards, netbanking & wallets with instant payment confirmation.

GST Invoicing

Auto CGST/SGST/IGST with numbered GST invoice PDFs.

Discounts & Waivers

Class-wide discounts & per-student waivers applied automatically.

Online Portal

Parents view dues, pay online & download receipts 24x7.

Receipts & Reports

Every transaction tracked with daily collection reports.

Due Reminders

Automatic fee-due reminders to parents via app & chat.

Subscription Billing

Plans, trials, renewals & GST invoices handled end-to-end.

Partial Payments

Accept part payments with running balance tracking.

Defaulter Tracking

See who owes what — class-wise & student-wise, instantly.

Staff & HR

Your entire staff — profiles, payroll, departments, leaves & ID cards — fully paperless and always organised.

KEY FEATURES

Staff Directory

Complete staff records with roles, departments & contacts.

Payroll Management

Salary processing, payslips & complete payment history.

Departments

Organise staff across Academic, Admin, Transport & more.

CR80 Staff ID Cards

Professional QR-coded identity cards, ready to print.

Leave Management

Apply, approve & track leaves with complete history.

Performance View

Monitor staff activity & engagement across all modules.

Role Permissions

30+ granular permissions control exactly who sees what.

Self-Onboarding

Staff activate their own accounts via secure OTP emails.

HR Documents

Contracts, certificates & HR files in one secure vault.

Multi-Role Support

Admin, teacher, accountant, librarian, transport & more.

Transport & GPS

Live bus tracking on real maps with geo-fencing alerts — parents always know exactly where their child's bus is.

KEY FEATURES

Live GPS Tracking

Real-time bus positions on live maps for admins & parents.

Route Planning

Routes with start/end coordinates & ordered stop sequences.

Geo-fence Alerts

Instant alerts when buses enter or leave a stop radius.

Stop Management

Stops with map pins, radius & sequence order.

Parent Follow Mode

Tap a bus to follow it live — Where-is-my-Train style.

Fleet Registry

Vehicles, drivers, routes & status in one register.

Offline Last-Known

Map shows last-known & estimated positions even offline.

Arrival Alerts

Parents notified when the bus nears their stop.

Trip History

Complete GPS logs & route playback for review.

Any GPS Device

Works with hardware trackers or the driver's phone app.

E-Campus Mitra Chat

WhatsApp-style realtime messaging built into the app — school updates, fee reminders, approvals & receipts in one thread.

KEY FEATURES

Realtime Messaging

Messages deliver instantly with live sync on web & app.

Template Cards

Rich cards for attendance, fees, notices, homework & GPS.

Bulk Reminders

Send fee-due reminders to hundreds of parents at once.

Read Receipts

Single & double ticks show sent, delivered & read status.

Push When Closed

Notifications reach parents even when the app is closed.

Action Buttons

Parents accept/reject approvals or pay fees inside chat.

Role Tags

Every message shows who sent it — admin, teacher or parent.

Multi-Child Threads

Separate clean threads per child for every parent.

Attachments

Share photos, documents & files securely in-chat.

Web + Android

The same chat experience on desktop and mobile app.
